

BIJAN ABBASI ARAND

ASSOCIATE PROFESSOR

Faculty of Electrical and computer
Engineering,
Tarbiat Modares University

PERSONAL PROFILE

I am a professional researcher with over 15 years of industrial and applied research experiences in Telecommunications Engineering.

RESEARCH INTERESTS

- Antennas & Propagation
- Microwave Circuits
- Mobile Telecommunication
- Electromagnetic Modeling

EMPLOYMENT HISTORY

Tarbiat Modares University

Assistant Professor (2011 - 2019)
Associate Professor (2020 - Present)

Iran Telecommunication Research Center (ITRC)

Researcher, Electromagnetic Propagation
Department (2003 - 2005)

EDUCATIONAL HISTORY

Shiraz University

Bachelor of Electrical Engineering (1995 - 1997)

Tarbiat Modares University

Master of Science, Telecommunications
Engineering (1997 - 1999)

Tarbiat Modares University

PhD, Telecommunications Engineering,
(1999 - 2003)

Tarbiat Modares University

Post Doctoral Researcher, Telecommunications
Engineering (2005 - 2007)

PROFESSIONAL MEMBERSHIPS

- Member of AIO System Design Committee
- Member of C4I Committee
- Senior Member of IEEE

HONORS & AWARDS

- First rank of Mathematic Olympiad of province
- 2nd rank (1st rank of engineering branch) of Kharazmi Young Festival, Iran.
